We can usually provide a skipper to look after you all weekend and teach you what you need to know, they are volunteers and will need feeding and watering regularly!  
Most of our skippers are Guiders, qualified in the Certificate of community boat management and/or the Guiding narrowboating qualification.

If you are interested in self-skippering, we can usually teach and qualify you over 2 weekends away with your group. (please note that 2 qualified skippers are needed to self-skipper Falcon Adam, this is not the case with all boats)
